A screenshot of a digital calendar application. The top header is a solid blue bar with the text "October 2085" in white. Below this is a green bar containing the days of the week: "Sun", "Mon", "Tue", "Wed", "Thu", "Fri", and "Sat". The main area of the calendar is white and displays a grid of dates. The dates are arranged in rows and columns, with the first row starting from "30" and ending at "6", and the last row starting from "28" and ending at "3". The date "31" is visible in the fourth row, under the "Wed" column. The numbers are in a simple, sans-serif font.
