

The figure displays three calendar grids for the months of January, February, and March 2019. Each grid is a 4x7 table where the columns represent the days of the week (Sun, Mon, Tue, Wed, Thu, Fri, Sat) and the rows represent the days of the month.

- January 2019:** Starts on Sunday (1st), ends on Saturday (31st).
- February 2019:** Starts on Sunday (1st), ends on Saturday (28th).
- March 2019:** Starts on Sunday (1st), ends on Saturday (31st).
